

Dear Seacoast Shores Members and Residents - We wish you a Happy and Healthy New Year!!!

During 2017 we achieved our objective of repairing and protecting our Rights of Way or "ROWs", which provide deep water access to all residents, consistent with the Wetlands Protection Act. The repair to ROW 12 E was completed and it has stayed in place during several severe storms in the late fall.

The SSAI Beach erosion occurred significantly faster than our historical rate which is what SSAI uses to determine re-nourishment budgeting. There will be several neighborhood meetings early in the 2018 season to communicate the plans to preserve the SSAI Beach. This season we plan to complete the engineering and permitting work for the repair of one of the several west-side ROWs that have serious erosion and safety issues. We also need money for 3 additional Dinghy Racks. These initiatives all require funding which will protect and preserve valuable common property.

Seacoast Shores Association Inc (SSAI) provides a benefit to all residents in Seacoast Shores by maintaining and protecting all common property on the peninsula. SSAI has been successful doing this since the early 1950's. Examples of common property include ROW's, the Bayside Beach, the Front Entrance and the Clubhouse Property. Maintenance and protection expense for these assets include landscaping, insurance, taxes, sand replacement, annual maintenance, utilities, bookkeeping and additional police details. SSAI believes each property owner is required to become a Community Supporter by paying the annual Association Dues for all properties owned. The annual dues are the only income available to SSAI to pay for the maintenance and protection of the common assets.

SSAI Annual Dues & Clubhouse Fees are due by **2/15/2018**. There are several payment options based on your membership preference:

- 1. If you were a 2017 Member in good standing you may pay your invoice amount by logging in to our web site www.seacoastshores.com (instructions below). Be sure to update your profile information.**

Target Program – Benefits all Seacoast Shores Residents who are not Investment Members but would like to try Clubhouse Membership in 2018 by purchasing a **Target Unlimited Plan**. The Clubhouse Member (“CHM”) target will be set at 165 for the 2018 season. If on Feb 15th, 2018, we have less than 165 CHMs from our Investor Members, Seacoast residents who are not Investment Members will be given the opportunity to become 2018 Target Clubhouse Members up to a maximum of 165 Clubhouse Members in total. **We hit the limit early last year so don't wait!!!** Example: If by Feb 15th there are 160 Investor Members who join as CHMs, this would allow the opportunity for 5 additional Association Members to become Target Clubhouse Members.

Target Unlimited Plan – (program is for 2018 and no benefits beyond 2018 are promised)

The fee structure is shown below:

- A. \$1100 Clubhouse Fee and \$600 Food minimum.
